## Hunter Valley Attractions

### Things to do

- ⇒ **Float above the vineyards.** Set your alarm clock early for a sunrise hot air balloon ride with Balloon Aloft. On this one hour flight you'll ascent above the Hunter Valley vineyards of Pokolbin, Lovedale, Rothbury and Broke, to heights of more than 600 metres (2000 feet).
- ⇒ **Be pampered at a day spa.** After all that food and wine, it's time to unwind at one of the Hunter Valley's many day spas. Choose from a number of spa packages at Château Élan, which include use of the hydro lounge, offering a plunge pool and outdoor hot spa.

### Day Trips

- ⇒ **Hunter Valley Wine Tour** <https://twofatblokes.com.au/tour/hunter-gatherers/> Our Hunter Gatherer's tour is the most popular full day Hunter Valley wine tour in wine country. Join this tour and we take you for a private tasting to 4 or 5 of the Hunter Valley's [great wineries](#) (small, boutique and big) to sample some delicious wines, we also highlight some of the produce made in our region. We all know the Hunter is famous for its wines, but we also have a proud & thriving cottage industry that produces all sorts of other ingredients our local chefs love to use in their dishes. Olives & Olive oils, cheeses, organic poultry, snails, berries, herbs, jams & pickles & of course chocolates and much more are all produced right here in the Hunter Valley. A typical itinerary for our day tour would include:
  - A visit to 4 or 5 wineries. Including a vineyard walk.
  - One of the great Hunter Valley wineries we visit is De luliis winery where we will conduct our famous cheese & wine experience. We match 9 different cheeses with 9 different wines and each booking will receive a complimentary copy of our cheese & wine matching guide to take with them as a memento of your visit.
  - A generous lunch at a table set up amongst the vines.
