Queenstown Attractions

Things to do

- ⇒ **Walter Peak** - Upon arrival at Walter Peak High Country Farm, sit down to a barbecue lunch on the terrace. Sample salads, local cheeses, and meats, with the option to add for-fee wine pairings from Central Otago.
- ⇒ **Queenstown Gondola** - Sit back and relax and take in the stunning views as you ride the Skyline Queenstown Gondola - the steepest cable car lift in the Southern Hemisphere and one of the must-do activities in Queenstown!
- ⇒ **Over the top golf** – a hole in one at 4500 feet. Nestled at 4500 feet in the Southern Alps of New Zealand this par 3 unique golf experience overlooking Queenstown has four tee boxes for the altitude golfer to attempt their hole in one.

Day Trips

- ⇒ **Arrowtown** - So many pleasures to choose from - Arrowtown's historic streets, or its Great Outdoors. Arrowtown satisfies many sides of your personality. The nature lover, the outdoors adventurer, the museum visitor, the shop browser.
- ⇒ **Glenorchy Movie Locations Tour - Lord of the Rings**
- ⇒ **Milford Sound** - Milford Sound is breathtaking in any weather. Cliffs rise high into the air from the dark waters, mountain peaks scrape the sky and waterfalls cascade downwards, some as high as 1000 metres. When it rains in Milford Sound (and it often does) those waterfalls multiply with magnificent effect. Take a day trip to Milford Sound and experience one of New Zealand's must-do attractions.

Food, Wine & Nightlife

- ⇒ **Fergburger - Fergburger** Queenstown is not just a place to eat it's an attraction in Queenstown because the burgers are just that good!
- ⇒ **Amisfield Winery** - Of all the winery restaurants within striking distance of Queenstown, this was the one that kept coming up as everyone's ace card — and not just -because Kate and Wills dropped in here, by private plane, for drinks and canapes on their last royal tour. It's quite the package. The imposing stone-and-schist building, the soaring hardwood beams, the kinetic sculptures in the courtyard ... and then there's the food.
- ⇒ **Madam Wood** this popular spot is inspired by Malaysian cuisine. The famous Hawker rolls are a must, especially after spending time in the snow, and for a large group or a quiet glass of wine, pop upstairs to the cocktail bar and take a seat on the veranda overlooking the hustle and bustle below.

Shopping

- ⇒ Queenstown boasts great [shopping](#) with luxury brands, iconic New Zealand design stores, souvenirs, boutique fashion and adventure sports equipment aplenty all centrally located in the compact town.
